END OF MEDE SHIRERU YORU NO JUNJOU CHAPTER 14!

Firstly, yes, this is the liet chapter.

Secondly, thanks a lot for blanne with the slow process of my translation.

progress, I really gave up halfway early this year. I have to say finding out that my friend is actually waiting for the last chapter as well actually motivates me to cush 17 pages at two days (-____)

Let me take this moment to ramble. Too much relief from

I have more rows of other your manger, but I'm not starting on translation any time sequer cos I don't really know when to start (soo many and many have brouklesome panels).

Anythory with requirests for any translation of manny away.

Anybody with requests for any translation of manga raws
(any genre is fine) can always ask me.
I still have difficulty with Japanese raws, so do understand
I connect continue. But do fall me the title first and I'll see

I cannot continue. But do tell me the title first and I'll se whether there are other raws available.
